The pope replies that this was not an allusion to the problems of the Vatican (such as Vatileaks), as many thought. Benedict XVI explains: The true threat for the Church, and thus for the Petrine service, does not come from this sort of episode: it comes instead from the universal dictatorship of apparently humanistic ideologies. Anyone who contradicts this dictatorship is excluded from the ...

Essays discuss the structure of the Catholic Church, papal primacy, the role of bishops, ecumenism, and the relation between faith and politics

On April 24, 2005, Cardinal Joseph Alois Ratzinger became Pope Benedict XVI, the twenty-first-century successor of the Apostle Peter and the spiritual leader of more than one billion Roman Catholics. Who is this complex man whose office grants him sole charge of the world's largest religion? How will his tenure influence the future? The Essential Pope Benedict XVI answers these questions through carefully chosen selections from his homilies, interviews, theological essays, and articles on the crises facing the church today. This collection lays out Benedict's thinking and relates it to a variety of contemporary issues, including modern culture's abandonment of traditional religious values, social mores regarding conception and the sanctity of life, current challenges to the priesthood, and the Catholic Church's tenuous relations with other world religions. First a brilliant peritus, or \"expert advisor,\" to the Second Vatican Council and then archbishop of Munich, Joseph Ratzinger was appointed head of the Congregation for the Doctrine of the Faith by Pope John Paul II in 1981. As Cardinal Ratzinger, the ex officio defender of church doctrine, he gained a reputation as a heroic guardian of the faith for conservatives and was held in suspicion by church liberals. We cannot yet know what issues and events will define the reign of Pope Benedict XVI, but by any measure he will be seen as one of the most important theological voices of our time. This one volume is the best source for understanding the heart, soul, and agenda of this twenty-first-century successor to St. Peter.

Argues that Europe's separation of religion from politics has led to its decline and that religion, instead of being suspect, should be viewed in the U.S. and Europe as an ally of human rights and freedom.

William Langland's poem Piers Plowman is one of the most popular and widely-studied Middle English works. This comprehensive, readable guide leads the student chronologically through the entire text and is designed to be read alongside it. Assuming no previous knowledge, readers are introduced to characters, plot and argument in way that enables them to enjoy and analyse the text for themselves. A Guidebook to 'Piers Plowman': - Clarifies and explores Langland's thinking - Contextualises the religious, political and social issues he raises - Details the genres and sources the poet uses - Employs up-to-date bibliographical knowledge to offer alternative critical interpretations and suggest ways of relating these to the poet's key concerns - Explains Langland's historical, theological and psychological assumptions in helpful inserted text boxes - Features illustrations and suggestions for further reading Concise and approachable, this is an invaluable tool to help students appreciate the originality and modernity of Langland's poetry.
