~~"SWEET, SWEET SPIRIT" LYRICS by DORIS AKERS:
There's a ...~~

There's a sweet, sweet Spirit was written by
gospel songwriter Doris Mae Akers. She was
born in Brookfield, Missouri on May 21, 1923.
She was one of ten children and developed an
interest in music at an early age. By the age
of six, she had taught herself to play piano
by ear.

Nearly a half century after her death in 1972, Mahalia Jackson remains the most esteemed figure in black gospel music history. Born in the backstreets of New Orleans in 1911, Jackson during the Great Depression joined the Great Migration to Chicago, where she became an highly regarded church singer and, by the mid-fifties, a coveted recording artist for Apollo and Columbia Records, lauded as the "World's Greatest Gospel Singer." This "Louisiana Cinderella" narrative of Jackson's career during the decade following World War II carried important meanings for African Americans, though it remains a story half told. Jackson was gospel's first multi-mediated artist, with a nationally broadcast radio program, a Chicago-based television show, and early recordings that introduced straight-out-of-the-church black gospel to American and European audiences while also tapping the vogue for religious pop in the early Cold War. In some ways, Jackson's successes made her an exceptional case, though she is perhaps best understood as part of broader developments in the black gospel field. Built upon foundations laid by pioneering Chicago organizers in the 1930s, black gospel singing, with Jackson as its most visible representative, began to circulate in novel ways as a form of popular

culture in the 1940s and 1950s, its practitioners accruing prestige not only through devout integrity but also from their charismatic artistry, public recognition, and pop-cultural cachet. These years also saw shifting strategies in the black freedom struggle that gave new cultural-political significance to African American vernacular culture. The first book on Jackson in 25 years, Mahalia Jackson and the Black Gospel Field draws on a trove of previously unexamined archival sources that illuminate Jackson's childhood in New Orleans and her negotiation of parallel careers as a singing Baptist evangelist and a mass media entertainer, documenting the unfolding material and symbolic influence of Jackson and black gospel music in postwar American society.

(Foreword by George Younce) An inspiring collection of stories behind fifty treasured songs of the faith, including "Mansion Over the Hilltop," "We Shall Behold Him," "He's Still Working on Me," and "Sweet Beulah Land."

Stretch your faith through this collection of intimate interviews with today's top worship songwriters. Even before King David sang his praises, God has been drawing men and women to "sing a new song." Join author and hymnologist Lindsay Terry as he sits down one-on-one with the writers of today's most

inspiring and powerful worship songs including: "Here I Am to Worship" "Open the Eyes of My Heart" "Shout to the Lord" "He is Exalted" "I Can Only Imagine" Includes Bonus CD of songwriters telling their own stories!

A collection of African-American gospel music presents biographies of composers, lyrics, and music to some of the most popular hymns and a history of each piece, as well as a description of its role in the church. Reprint.

This informative resource provides a brief history of each hymn in the popular hymnal *Glory to God*. Written by one of the foremost hymn scholars today, the Companion explains when and why each hymn was written and provides biographical information about the hymn writers. Church leaders will benefit from this book when choosing hymn texts for every worship occasion. Several indexes will be included, making this a valuable reference tool for pastors, worship planners, scholars, and students, as well as an interesting and engaging resource for music lovers.

FINALLY, a scholarly description of the development of Black preaching in the United States that is accessible to the average

Read Book Doris Akers Sweet Sweet Spirit Lyrics Sdoents2

reader, but also contributes to the academic conversation about both style and theological content. Written from the perspective of a seasoned practitioner and tenured practical theologian, Thomas surveys Black preaching as it has responded to various social and historical time periods. Starting with the brutality of chattel slavery, early formations in segregated Southern life, rapid migration to and urbanization in Northern cities, and various events throughout the post-civil rights era, the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change. At the heart of the book, three prime examples are presented as models of the real "genius" of Black preaching. The reader will never again think about Reverend Martin Luther King Jr., Malcolm X, and the Reverend Jesse Jackson in the same way. A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future. The book is a provocative and critical analysis of why Black preaching still matters.

An authorized biography on George Beverly Shea. He turns 100 2/1/09. Most in-depth book on Mr. Shea. Endorsed by Franklin Graham.
