Elf Jr.- The Musical (Full Show) - YouTube Synopsis. In this heart-warming musical, Santa narrates the story of Buddy, an apparently oversized elf who has been raised in the North Pole. During the lead up to Christmas, Buddy overhears the other elves discussing how he is really a human but hasn't realized. He is devastated and Santa must reveal to his wannabe elf that baby Buddy mistakenly crawled into Santa's bag of gifts on Christmas Eve many years ago and was transported to the North Pole on Santa's return home.

Music is a vital piece of life that not only allows individuals a chance to express themselves, but also an opportunity for people and communities to come together. Music has evolved in recent years as society turns toward a digital era where content can be shared across the world at a rapid pace. Music education and how it is spread has a number of possibilities and opportunities in this new era as it has never been easier for people to access music and learn. Further study on the best practices of utilizing the digital age for music education is required to ensure its success. The Research Anthology on Music Education in the Digital Era discusses best practices and challenges in music education and considers how music has evolved throughout the years as society increasingly turns its attention to online learning. This comprehensive reference source also explores the implementation of music for learning in traditional classrooms. Covering a range of topics such as music integration, personalized education, music teacher training, and music composition, this reference work is ideal for scholars, researchers, practitioners, academicians, administrators, instructors, and students.

Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored. Disciplinary Literacy Connections to Popular Culture in K-12 Settings is an essential publication that explores a conceptual framework around pedagogical connections to popular culture. While highlighting a broad range of topics including academic creativity, interdisciplinary storytelling, and skill development, this book is ideally designed for educators, curriculum developers, instructional designers, administrative officials, policymakers, researchers, academicians, and students.

"The iTheatrics Method is the world's first musical theatre education textbook specifically devoted to building high-quality, sustainable musical theatre programs in schools and community settings."--Publisher's description.

There are moments in the history of theatre when stagecraft takes a new turn. I like to think that this happened for the American musical last week, when Tony Kushner's Caroline, or Change (at the Public), a collaboration with composer Jeanine Tesori and the director George C. Wolfe, bushwhacked a path beyond the narrative end of the deconstructed, overfreighted musicals of the past thirty years.John Lahr, The New Yorker Louisiana, 1963: A nation reeling from the burgeoning Civil Rights Movement and the Kennedy assassination. Caroline, a black maid, and Noah, the son of the Jewish family she works for, struggle to find an identity for their friendship. Through their intimate story, this beautiful new musical portrays the changing rhythms of a nation. Tony Kushner and composer Jeanine Tesori have created a story that addresses contemporary questions of culture, community, race and class through the lens and musical pulse of the 1960s. Tony Kushner is best known for the two-part masterwork, Angels in America, recently produced by HBO as a six-hour television event, directed by Mike Nichols to universal acclaim. His other plays include Homebody/Kabul, A Bright Room Called Day and Slavs!; as well as adaptations of Corneille's The Illusion, Ansky's The Dybbuk, Brecht's The Good Person of Szechuan and Goethe's Stella. Current projects include: Henry Box Brown or The Mirror of Slavery and St. Cecilia or The Power of Music. He recently collaborated with Maurice Sendak on an American version of the children's opera, Brundibar. He grew up in Lake Charles, Louisiana, and he lives in New York. Jeanine Tesori wrote the score for Thoroughly Modern Millie, which won the 2002 Tony and Drama Desk Awards for Best Musical and the multiple-award-winning Violet.

(Vocal Selections). Based on the macabre cartoon Charles Addams created in 1938 for The New Yorker , this Broadway musical was nominated for multiple awards in 2010, including two Tony nods. Our songbook features vocal lines with piano accompaniment for 14 fantastic tunes by Andrew Lippa: The Addams Family Theme * Crazyer Than You * Happy/Sad * In the Arms * Just Around the Corner * Let's Not Talk About Anything Else but Love * Live Before We Die * The Moon and Me * Morticia * One Normal Night * Pulled * Waiting * What If * When You're an Addams. Daddy-Long-Legs is a novel by the American writer Jean Webster. It follows the protagonist, a young girl named Jerusha Judy Abbott, through her college years. She writes the letters to her benefactor, a rich man whom she has never seen.
