The Office meets Stephen King, dressed up in holiday tinsel, in this fun, festive, and frightening horror-comedy set during the horror publishing boom of the '80s, by New York Times best-selling satirist Andrew Shaffer. bizarre set of circumstances leads to her hire and a firm mandate: Lussi must find the next horror superstar to compete with Stephen King, Anne Rice, and Peter Straub. It's the '80s, after all, and horror is the hottest genre. But as soon as she arrives, Lussi finds herself the target of her co-workers' mean-spirited pranks. The hazing reaches its peak during the company's annual Secret Santa gift exchange, when Lussi receives a demonic-looking object that she recognizes but doesn't understand. Suddenly, her coworkers begin falling victim to a series of horrific accidents akin to a George Romero movie, and Lussi suspects that her gift is involved. With the help of her former author, the flamboyant Fabien Nightingale, Lussi must track down her anonymous Secret Santa and figure out the true meaning of the cursed object in her possession before it destroys the company—and her soul.

The New York Times Best Seller "[Hope Never Dies is] an escapist fantasy that will likely appeal to liberals pining for the previous administration, longing for the Obama-Biden team to emerge from political retirement as action heroes."—Alexandra Alter, New York Times Vice President Joe Biden and President Barack Obama team up in this high-stakes thriller that combines a mystery worthy of Watson and Holmes with the laugh-out-loud bromantic chemistry of Lethal Weapon's Murtaugh and Riggs. Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, "Amtrak Joe" re-teams with the only man he's ever fully trusted: the 44th president of the United States. Together they'll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America's opioid epidemic. Part

noir thriller and part bromance, *Hope Never Dies* is essentially the first published work of Obama/Biden fiction—and a cathartic read for anyone distressed by the current state of affairs.

Summer 2018- Two years into President Donald J. Trump's first term in office, America has never been greater. The Even Greater Wall along the Mexican border is under construction, paid for by Mexico. Americans have more money in their pockets thanks to lower taxes and the president's creative money-raising strategies. (Who else would have thought to pay for FEMA's budget by suing the Catholic Church over property damage caused by acts of God?) And while Trump's detractors may call him a tyrant, the American people love bullies when the victim is Congress- every time they impeach the president, his approval rating skyrockets. Ever conscious of his hugely important historical legacy, The Donald plucks disgraced tabloid reporter Jimmie Bernwood-the man responsible for publishing the infamous Ted Cruz sex tape-from the depths of anonymity to become his official biographer, giving him enviable access to the gold-plated White House and all of its secrets. When Trump's previous biographer turns up dead, Bernwood must do some real investigative reporting, get to the bottom of a long series of murders...and, if it's absolutely unavoidable, save the country. *The Day of the Donald* is a hilariously hair-raising look at the (possible) future of America.
