This book is a printed edition of the Special Issue Causes and Consequences of Species Diversity in Forest Ecosystems that was published in Forests

Boleslaw Prus is often compared to Chekhov, and Prus’s masterpiece might be described as an intimate epic, a beautifully detailed, utterly absorbing exploration of life in late-nineteenth-century Warsaw, which is also a prophetic reckoning with some of the social forces—imperialism, nationalism, anti-Semitism among them—that would soon convulse Europe as never before. But The Doll is above all a brilliant novel of character, dramatizing conflicting ideas through the various convictions, ambitions, confusions, and frustrations of an extensive and varied cast. At the center of the book are three men from three different generations. Prus’s fatally flawed hero is Wokulski, a successful businessman who yearns for recognition from Poland’s decadent aristocracy and falls desperately in love with the highborn, glacially beautiful Izabela. Wokulski’s story is intertwined with those of the incorrigibly romantic old clerk Rzecki, nostalgic for the revolutions of 1848, and of the bright young scientist Ochocki, who dreams of a future full of flying machines and other marvels, making for a book of great scope and richness that is, as Stanisław Barańczak writes in his introduction, at once “an old-fashioned yet still fascinating love story . . . , a still topical diagnosis of society’s ills, and a forceful yet subtle portrayal of a tragically doomed man.

First published in 1943, The Little Prince by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince’s story. The narrator’s plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow’s request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups’ behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren’t. Children use their heart to feel what’s really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children’s fairy-tale, and many more things besides: The Little Prince is a book for everyone; after all, all grown-ups were children once.

The renowned Polish novelist, inspired by his travels through Africa, gives us a fascinating book recounting adventures and experiences of two children during an escape from Khartoum after the death of General Gordon, and their flight through Africa to the Indian Ocean. The children’s adventures in the Egyptian desert and African wilderness at the time of the Mahdi (1848 - 1885) also contain a vast quantity of information about the plant and animal life of the African swamps and jungle.

”The Partitions of Poland or Partitions of the Polish?Lithuanian Commonwealth were a series of three partitions which took place in the second half of the 18th century and ultimately ended the existence of the Polish?Lithuanian Commonwealth (Polish: Rzeczpospolita Obojga Narodów; Lithuanian: Abiej? Taut? Republika), resulting in the elimination of sovereign Poland, and Lithuania, its partner in the Commonwealth, for 123 years. The partitions were conducted by the Russian Empire, the Kingdom of Prussia and Habsburg Austria, which divided up the Commonwealth lands among themselves progressively in the process of territorial seizures.”--Wikipedia.

Emerging from the New Wave music scene of the late ’70s, The Cars catapulted to success with the very first single—“Just What I Needed”—off of their debut album. Led by Ric Ocasek, the lead vocalist (along with Benjamin Orr), rhythm guitarist, and songwriter, The Cars became one of the most successful bands of the ‘80s—and their songs are just as beloved by fans today. Ocasek himself has had an illustrious career beyond The Cars, from writing and performing solo work, publishing poetry in Granta and elsewhere, and producing albums by musical artists like Weezer, Hole, Guided By Voices, and Jonathan Richman. In Lyrics & Prose, Ocasek collects his lyrics together for the first time—and included throughout are Ocasek’s early handwritten notes and set lists, doodles and all. His work spans from The Cars’ self titled debut album in 1978 to Move Like This, released in 2011, as well as Ocasek’s six solo albums. This is not merely a songbook for fans of The Cars, however: Ocasek is a versatile and affecting poet as well as songwriter, and his original verses—interspersed with album artwork and more than twenty-five beautiful black and white photographs—round out this beguiling book.

Dr. James W. Kalat’s BIOLOGICAL PSYCHOLOGY is the most widely used text in the course area, and for good reason: an extremely high level of scholarship, clear and occasionally humorous writing style, and precise examples. Throughout all eleven editions, Kalat’s goal has been to make biological psychology accessible to psychology students, not just to biology majors and pre-meds. Another goal has been to convey the excitement of the search for biological explanations of behavior, and Kalat delivers. Updated with new topics, examples, and recent research findings—and supported by new online bio-labs, part of the strongest media package yet—this text speaks to today’s students and instructors. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
