Kiora's search will push her closer to Alcander, send her to the dragon mountain of Toopai, and lead straight back to Meros-where magic will finally return to the land of no magic. Answers will be uncovered and plans unearthed that have been waiting for thousands of years. But with the Shadow's forces gathering, the rebels are hurtling toward one outcome: war. Armed with knowledge and hope, Kiora is determined to change that path, but will fate allow it? Or will it teach her a hard lesson about following her own destiny?

WALLS In defense of the small remaining group of rebels, Kiora has to cross lines she never thought she would, redefining herself and her understanding of what's right and wrong. Outnumbered and out of time, Kiora turns to the only two groups that can help—the Shifters and the Dragons. But will either of them come to her aid? It's looking less likely by the day. As they prepare for war against the evil army, Kiora must find the strength within herself to defeat Jasmine. The magic she needs is potent and too much for her body to handle, but at the end of it all, Kiora's the Solus. She's their only hope. Kiora thought she had never heard a lie until she was sixteen. But she was wrong. Her entire existence was based on nothing but. She thought that evil did not exist. Lie. That magic was not real. Lie. And that the land of Meros was all there was. One more lie. With Aleric telling her that evil is knocking on the door and that she is the only one who can stop them she has a choice to make. Refuse, or start the wildest most painful ride of her life. She reluctantly dips her toe into her new existence of magic and threads, dragons and shapeshifters, and the person who wants to take control of it all: the evil Dralazar. However, this journey was never meant to be hers alone. She will be accompanied by a Protector. To her disbelief, and utter irritation they name the hotheaded, stubborn, non-magical,

(albeit gorgeous) Prince Emane. They will have to trust each other with their lives, but right now Kiora would settle for a non hostile conversation. And now it comes down to this, If you had never heard a lie, would you know when you heard one? Is knowing good from evil innate? Kiora finds herself having to decide who lives and who dies on those very questions.

Kiora is rapidly learning that evil and lies come in shades of black and white and swirling greys, but nothing could have prepared her for the shock of leaving Meros. Kiora and her protector Emane step through the pass into a world they never knew existed but were always meant to save, only to find it far worse than they could have ever imagined. Good has been forced into hiding for its own survival, while the rest of the land bows to the Shadow, a force that

Wings of Tavea is Book 2 in the Solus Series, a young adult fantasy series.

Schuyler Van Alen is running out of time. The Dark Prince of Hell is storming the Gates of Paradise, intent on winning the heavenly throne for good.
